

Reference Collection

The fastest way to problem-solve and learn

New Horizons Reference Collection Benefits:

- **Unlimited access to resources**
- **Easy to deploy and administer**
- **Rich Web-based environment**
- **Personalization for users**
- **Sophisticated searching options**

Downtime results from employees not having immediate access to relevant, business-critical information when it is needed is costing your organization money.

Did You Know...

- Professionals spend 7.2 hours a week trying to stay current by looking for information that pertains to their job, *as reported by CIO Magazine Research Report*

By deploying New Horizons Reference Collection, powered by Books24x7, the average company can see the results of substantial corporate savings per year, by simply decreasing the annual downtime spent searching for information.

With just a few clicks of the mouse, users can instantly search and access a wide collection of unabridged content from the world's leading authorities in business, technology and other fields. A variety of easy-to-use notification, personalization and collaboration features stimulate usage ensuring that every corporate deployment can benefit from significant and demonstrable increases in business-relevant "instant learning."

By instantly pinpointing critical information for just-in-time problem solving and learning, New Horizons Reference Collection helps professionals across all disciplines bridge the gap between what they know and what they need to know to successfully drive corporate initiatives.

How Will Your Organization Benefit from New Horizons Reference Collection?

- Increase employee productivity
- Enhance professional effectiveness
- Stimulate spontaneous learning
- Accelerate information sharing and collaborative thinking

New Horizons Reference Collection Offerings
